

# The Heatlie Snappy King

It's time to get serious about entertaining

The Heatlie Snappy King RB1000DS  
with double-up rack and end tables

# The Heatlie Snappy King

## High performance in fashionable stainless steel

The Snappy King is the latest in Heatlie's range of quality outdoor cooking products. Manufactured from fashionable stainless steel, the Snappy King is a high performance roaster, grill, barbecue and bain marie.

'Performance' is the first thing you'll notice when using the Snappy King. Thanks to the revolutionary Ribbon Burner System and unique Circular Cooking System, the Snappy King cooks like no other.

And due to the clean, instant heat of gas, there's no need to waste your day messing around with solid fuel.

A full range of optional accessories are also available for the Snappy King. These include the double-up rack to increase your roasting capacity, an innovative hotplate that instantly converts the Snappy King into a barbecue, and bain marie complete with pans for easy serving.

The Snappy King – it roasts, it grills, it barbecues and it warms.

**It's time to get serious about entertaining!**

The Heatlie Circular Cooking System produces more effective and energy efficient roasting.
